

August 2023 Newsletter

Dear Friends:

Summer is winding down! At Divine Mercy Care we are beginning to prepare for our 2023 Annual Gala this fall, on November 9, 2023 at Sweeney Barn in Manassas, VA (more information below). As we look forward with anticipation to this wonderful reunion of our DMC family, we also look ahead to Tepeyac OB/GYN's 30th anniversary in 2024! We have chosen the following scripture passage as our theme:

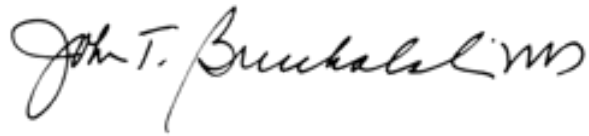

“What does the Lord require of us?

To do justice and to love mercy and to walk humbly with our God.”

Micah 6:8

Micah's short book reminds all of us that we can move from condemnation to generous consolation and hope because our Lord “delights in mercy” (Micah 7:18). Divine Mercy Care and Tepeyac OB/GYN embody this principle — medically, educationally, and most importantly, relationally. Health is, at its core, about relationships. We begin by being humbled and seeing clearly our shortcomings. We do justice by telling the truth, always. Then, because we receive His mercy, it is proper — and necessary — to show and share His Divine Mercy in our care for others.

Over the summer, this became clearer to me. How clear? Crystal. What am I required now in this second season of my life? I am called to help Tepeyac OB/GYN recruit the next generation of life-affirming medical professionals and pass on the great wisdom that YOU helped me live for three decades. Thank you so much for enabling me to do this important work!

Divine Mercy Care prepares infant gift baskets for families in need who deliver their babies with Tepeyac OB/GYN.

Our goal is to prepare 125 baskets in 2023.

Would you consider a \$200 donation to cover the cost of one infant gift basket? We will personalize it with a gift tag including your name/message.

In addition to monetary donations, Divine Mercy Care welcomes donations of homemade blankets and new baby items for our baby gift basket program.

Thank you for your generous support of life-affirming medicine!
