PERINATAL HOSPICE PROGRAM

The Kristen Anderson Perinatal Hospice Program is an initiative of Tepeyac OB/GYN to support and care for families who've received a poor perinatal diagnosis for their unborn child. Learn more at tepeyacobgyn.com.

Would you consider becoming a monthly Divine Mercy Care donor?

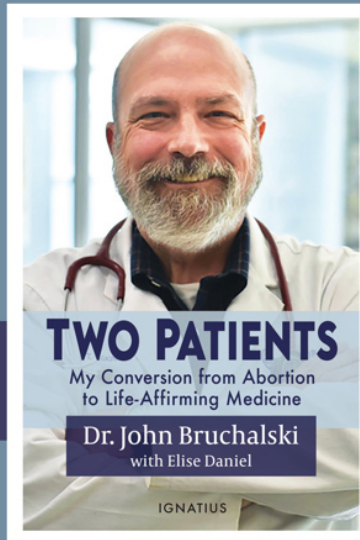

Your generous donations and prayers are vital to our mission. As a pro-life medical practice, Tepeyac OB/GYN foregoes the revenue for services that are profitable to other practices (artificial contraception, sterilization, abortion, and unnecessary drugs and interventions). About 30 percent of our patients receive financial support. We support patients who experience pregnancy loss and provide perinatal hospice services for babies who have a life-threatening diagnosis. Good medicine is about relationships...and together we can transform hearts.

DMC Giving Tree Ornaments

Divine Mercy Care has ornaments available upon request for parishes that sponsor Giving Tree program during the Advent and/or Christmas seasons. Giving Tree programs provide the community with opportunities to support charitable organizations that work with families in need. If your parish has a Giving Tree program or if you think it might be interested in starting one,

please email aoneill@divinemercycare.org.
