

**December 2023**

Dear Friend:

Merry Christmas! Our Savior is born! The reality that He has come to us as a baby — an innocent, vulnerable and precious child — is not lost on those of us who recognize the dignity of all human life. So we pray in a special way the Christmas season for pregnant mothers, especially those who have said yes to new life despite fear and uncertainty. We pray for families that find no room at the inn and depend on our charity to meet their needs for food, shelter and medical care. We pray for peace, knowing that it will only come about when our world recognizes the sanctity of every human person made in His image.

You and your families are in our prayers on this Christmas season. We at Divine Mercy Care and Tepeyac OB/GYN are grateful for your witness, your generosity and your faithful commitment to life.

*For unto us a child is born...and  
his name will be called  
Wonderful Counselor, Mighty God,  
Everlasting Father, Prince of Peace*  
(Isaiah 9:6)

Wishing you peace, love, and joy from all of us at  
Divine Mercy Care and Tepeyac OB/GYN.

*John Fundak, MD*
