

You are invited to this year's Divine Mercy Care Gala! Tickets for our biggest fundraiser of the year are now on sale. The Gala will be on Friday, November 8, 2024, at the Westfields Marriott in Chantilly. We are celebrating 30 years of Tepeyac OB/GYN! Over these decades, Tepeyac has become a haven for life-affirming medicine in northern Virginia. With the help of your generous support, DMC and Tepeyac continue to serve the women and families of our community with excellent medicine.

Tickets are \$300 and may be purchased through the button below.

In 2023, Tepeyac cared for more than 1,100 patients, delivered more than 500 babies, and gave families in need 123 baby supply baskets. Six hundred patients received care thanks to donor generosity.

In Matthew 14:27, while sailing amidst rough waters, Christ reminds his Apostles, "Take courage, it is I; do not be afraid." Our world, especially in an election year, is full of noise and distraction that tempts us to lose focus on our mission or despair that others do not understand. Like those Apostles, we must persevere through adversity to share Christ's love through merciful medicine. We must take courage together to push forward through the storms of our culture and protect access to pro-life medicine.

Rooms are available! Reservations for a room at The Westfields should be made online through the following link:

## Gala Sponsorship

Sponsoring the Divine Mercy Care Gala is a unique opportunity to make a transformational gift. Gala sponsorships are essential gifts that make this mission possible. They allow Tepeyac to care for women regardless of circumstance and to practice pro-life medicine that saves lives. You may sponsor in honor of someone, or as a way to advertise your church or business.

Benefactors will receive two tickets and be listed in the program. The rest of the sponsor levels will receive a table at the Gala, be listed in the Gala program and invitation, and receive social media recognition. As a Gala sponsor, you will support our signature fundraising event to ensure that women continue to have access to life-affirming medicine at Tepeyac OB/GYN for many years to come. Thank you for considering this opportunity.
